NL_Railways2015 and NL_Stations2015

The files NL_Railways2015.TAB and NL_Stations2015.TAB are offered to you by TWIAV – Research & Consultancy (www.twiav.nl).

These tables are being used in exercises in geographic information technology, which are offered on the TWIAV website.

The tables refer to the rail passenger transport in the Netherlands in 2015.
